Audrey Orom - Wayne Modin United In Beautiful Ceremony At Ponoka

On Saturday, July 17, Ponoka United Church was the setting for the wedding of Miss Audrey Orom, daughter of Mr. and Mrs. Bennie Orom of Bashaw and Mr. Wayne Modin, son of Mr. and Ms. Willard Modin of Edmonton.

Bouquets of spring blossoms decorated the church for the double ring ceremony performed by Reverend Thackery.

Given in marriage by her father, the bride wore a floor length gown of Shiffle embroidered organza, with a sabrine neckline and lily point sleeves. The skirt front had a controlled sheath effect with soft bouffant back applique with tiny bows flowing into a graceful semi cathedral trail.

The Swedish bridal crown held in place by a three layered bouffant shoulder length veil and she carried a bouquet of red velvet roses.

Miss Jeanette Orom, sister of the bride, was maid of honor, Miss Shirley Culic and Miss Isabella Mraz were bridesmaids. Flower girls were Lorie Spelrem and Karen Wilkes. Dressed in pink embroidered brocade, they carried baskets of spring flowers. The bride's attendants wore cocktail length dresses of soft blue embroidered brocade with matching blue net head pieces. They carried bouquets of carnations and roses in soft blue and white.

Attending the groom were Mr. LaVerne Holmes, Fred Warner and Harold Orom, brother of the bride. Ushers were Allan Fulmer and Clair Weatherial, friends of the bride and groom. Vocalist was Miss Lynda Vold, friend of the bride.

The bride's mother chose a pink lace sheath dress with matching lace duster, and accessories of white. She wore a corsage of matching pink roses.

The mother of the groom wore a turquoise brocade ensemble with accessories of white and pink, and a corsage of pink roses.

A lovely reception was held at the Ponoka Legion Hall. Grace was said by Mr. Fred Warner. Mr. Walter Spelrem, uncle of the bride acted as master of ceremonies. The bride's brother proposed a toast to the bride to which the groom ably responded.

A dance in the Bashaw Elks Hall followed the reception.

For her going away ensemble, the bride chose a two-piece green linen suit with white accessories and wore a corsage of roses.

After their honeymoon at the coast, the newlyweds will reside in Edmonton.

Premier Returns From Soviet Union

Prime Minister and Mrs. Einar Gerhardsen returned to Oslo June 9, after a successful, though strenuous, 9-day official visit to the Soviet Union. The Norwegian Premier told reporters that his political discussions with Soviet leaders had been very satisfactory. It was later announced that he has invited Soviet Prime Minister Alexei Kozygin to visit Norway at his own convenience.

A joint communique, issued at the end of the political talks, said both parties were concerned over deterioration of the international situation in certain parts of the world, which is seriously jeopardizing peace. They agreed that all conflicts between states should be solved by peaceful means and that co-existence and co-operation between states of different social systems, based on complete equality and non-intervention in the internal affairs of other states, are necessary to create mutual understanding and trust in the world.

The necessity of preserving UN as a main instrument for maintenance of peaceful relations among the nations was stressed in the communique. In order to achieve that aim, strict observance of the Charter by all UN members is important. In this connection, Norway expressed hope that the political and financial problems of UN might be solved at the earliest possible date.

Both parties pledged full support to efforts to reach agreements on general and complete disarmament, emphasizing especially the importance of preventing a further spread of nuclear weapons. As part of a more comprehensive pact to safeguard European security, based on mutual concessions, the idea of limiting armaments in various regions deserves serious consideration, said the statement.

ANNUAL SCANDINAVIAN DAY — JULY 25, 1965 . . .

Another Scandinavian Day has come and gone. Mr. F. Arnfinson spent a great deal of time and effort but felt it was not a truly successful day because of the layout of the grounds at Elk Island Park. He strongly recommends that another site be chosen for next year's Annual Scandinavian Day. Mr. Arnfinson's objections were firstly that the areas for the various functions were widely separated and therefore required considerable effort of arrangement in order to co-ordinate the activities. Secondly, that those in attendance included only about 10% peoples of Scandinavian origin. At this rate our annual day isn't doing what it was originally intended to do. Thirdly, that the Horseshoe Tournament had to be cancelled due to the fact that participants arrived too late in the day. Perhaps next year those that wish to compete for the Annual Trophy would register and then the committee could assign the time that each person would start to play.

An area in Victoria Park has been suggested or Vasa Park on Pigeon Lake could be made available. Could we hear from any one of you who have enjoyed these days in the past and, present some suggestions.

BOARD OF DIRECTORS MEET JULY 20, 1965 . . .

● Director E Hallberg is working out an overall master design for the grounds about the building. Perimeter tree planting is a possibility. This plan is very vital so that there will not be duplication of works on the existing space that surrounds the building.

● A profit of \$141.00 was realized from the Annual Celebration Party.

● A vote of thanks extended to Cockshutt Implement, Albert's Auto Body and Revelstoke Building Supplies for their assistance in various ways connected with the Klondike Days Float.

● Fall Dance is announced by E. Hallberg for September 25, 1965. Arrangements are being set up for 200 persons at \$1.50 per person.

BOARD OF DIRECTORS MEET AUGUST 10, 1965 . . .

● John Rama reports the Klondike Days Booth will show a profit in excess of \$700.00. This represents a fair showing when you consider that they had three rained out days.

● Mr. Tom Nielsen, Manager, will be on vacation August 29 to September 12, 1965.

● The Manager has made a personal donation to the Centre which is a new microphone.

● Sunday Smorgasbords will be in October. This will give members an opportunity to show their Centre to friends. By so doing more people will know about our lovely building.

OSLO CHARTER RETURNS . . .

August 12, 1965 saw the return of 109 passengers from Oslo. Those who had originally planned to travel on the Stockholm Flight indicated it was their fortune because this way they had a chance to view the city of Oslo which I am told is most beautiful and picturesque surrounded by water.

KUNGLIGA BIBLIOTEKET . . .

A letter has been received from the Royal Library in Stockholm, Sweden. They are anxious to acquire a complete file of the Scandinavian News. If anyone has extra copies or has a file of these at home, you might be interested in transferring these to the Library.

RESERVATIONS AT THE CENTRE . . .

Now that the fall social season is here many of you will be planning various types of events. Needless to say, most choice evenings have already been chosen by interested parties. There is no reason why each group cannot let the Manager know for the next year all the special events coming up so that he can set aside these dates. Remember, it is your Centre and so we want you to use it.
